Looking After Your Septic System

- ✓ Regularly inspect your septic tank
- ✓ Continue monthly N-Zyme treatments
- ✓ Use water efficiently
- ✓ Don't dispose of nappies, cat litter, cigarette butts, cotton buds, coffee grounds, grease, feminine hygiene products, or other non-biodegradable or clogging objects in your septic tank
- ✓ Don't dispose of hazardous wastes or harsh chemicals in sinks and toilets
- ✓ Don't drive over or park on any part of your septic system
- ✓ Only plant grass over or near your septic tank. Plant trees and shrubs away from septic tanks.

Septic System Maintenance Record (keep in a convenient location)

Next Service Date	Scheduled Activity	Completed By	Activities Completed	Comments
